Available May  
4.5" pot --- \$3.99 ea.

The seeds from an heirloom tomato can be planted to grow the exact same variety.

	<b>Amish Paste</b> --- A great Heirloom variety for canning. 8 oz. fruits are very meaty and great for sauce making.		
Oxheart-shaped	75 Days	Red	8 oz. fruit
	<b>Black Krim</b> --- Fruits are super dark red with greenish tops. Sweet and tasty flavor.		
Beefsteak Type	70 Days	Purple-Black	3-4" fruit
	<b>Brandywine</b> --- an Amish heirloom from Virginia dating back to 1885. Big plants produce lots of 1-2 pound, pink/red, meaty fruits. It is legendary for it's exceptionally rich, succulent tomato flavor.		
Beefsteak Type	80 Days	Pink	1-2 lb. fruit
	<b>Caspian Pink</b> --- This variety beat Brandywine in recent taste tests. Originally from Russia. Great for slicing or dicing in a salad .		
Beefsteak Type	85 Days	Pink	1-2 lb. fruit
	<b>Cherokee Purple</b> --- Fruits are crack free and disease resistant. One of the very best purple varieties for fresh slicing.		
Beefsteak Type	85 Days	Pink/Purple	8-12 oz. fruit
	<b>Cuore de Toro</b> --- Fom Italy. Oxheart shaped fruits weigh up to 2 lbs!!! A very sweet tomato that is an excellent producer. Excellent for paste, sauce, puree, and canning.		
Oxheart-shaped	89 Days	Red	1-2 lb. fruit
	<b>Dixie Golden Giant</b> --- A beefsteak heirloom grown by an Amish family since the early 1930's. It grows on large plants and yields big harvests of 1 to 2 pound, clear lemon-yellow fruits that occasionally have a pink blush on the blossom end. Fabulously sweet, fruity taste and meaty texture.		
Beefsteak Type	77 Days	Yellow/Orange	2 lb. fruit

4.5" pot --- \$3.99 ea.

**Heirloom tomatoes just can't be beat for their outstanding flavor.**

	<b>Hartman's Yellow Gooseberry</b> - Bright Yellow cherry tomatoes on vines that produce several hundred fruit per plant. Great flavor and excellent in salads or sliced with olive oil and mozzarella cheese. These are very prolific!		
Cherry Type	78 Days	Yellow	Cherry
	<b>Hillbilly</b> --- Originally from the hills of West Virginia this heirloom is an outstanding fresh eating variety. Fruit is red/orange with streaks of red and pink.

	<b>Yellow Brandywine</b> --- An Amish Heirloom variety, bright yellow fruit with a superb flavor.		
Beefsteak Type	75 Days	Yellow	1-2 lb. fruit

**Heirloom Tomatoes are produced from seeds that have been passed down for generations. Available in varieties with diverse characteristics, heirloom tomatoes tend to be prized for their distinctive flavors. Unlike hybrids, heirloom tomatoes are open pollinated. An open pollinated plant reproduces "true to type" from its own seeds. Harvest the seeds and plant them next year!**
